Purpose

The Atonement Men's Club was founded by six men of the Lutheran Church of the Atonement in 1989.

Their purpose was to:

- Promote Fellowship among the male members of Atonement.
- Raise funds for non-budgeted items for the school, church, and community.
- Serve the Lord in helping our community and church.

Since the founding of this group we have raised and contributed in excess of \$400,000 to aid our school, church, members, and non- members.

Membership

Membership is open to all male members of Atonement Church and School as well as friends (high school age and up). At this time, over sixty active members are participating in the club.

We've also received tremendous support from member's wives and others. We are grateful for the help they've given at BBQs and the tree lot.

Wishing Well

The Men's Club reviews requests for funds through its Wishing Well committee. A written request for funds or service is submitted to this committee for consideration and when approved, it is presented to general members for approval by a majority vote.

Service

Support groups such as Jamestown New Horizons, St. Ferdinand Basketball & BBQ Fundraiser, and Room at the Inn.

Sponsor church and school meetings, special events, and activities by either providing food or funding.

Provide meals for congregational and school events upon request.

Mentor All Atonement Confirmation.

Stewardship

The founding father's established a rule to donate 10% of funds raised to be given to the church as First Fruits.
